## FOR PROSECUTION IN THE COURT(S) OF LAW

### PUBLIC NOTICE OF INTERNATIONAL (CITIZENS') ARREST

#### In the Matter of Crimes Against Humanity and His/Her Nation

A Public Notice for his/her immediate arrest for questioning and trial is hereby issued to and against R-oA2014-listed

#### ***Prince Phillip, Duke of Edinburgh***

regarding actively and knowingly conspiring in well-planned efforts and constructions to consolidate power and resources – with the intention to establish a world government which would provide him/her with full immunity from any form of prosecution regarding his/her past and future crimes – and is therefore, according to Round-op Alpha, guilty of crimes against the sovereignty of his/her nation and against humanity as a whole, i.e.:

High-level brigandage: Looting of public wealth; oppressing of populations; attacking the rights to good health, education, personal/national sovereignty and real security; the murdering in name of corporate profits; democide; psychological warfare; (eco-)terrorism – which deliberately jeopardizes any attempts for world peace and causes regional, cultural tensions, armed conflicts, forced poverty and the decay of the public's health, the public order and society as a whole.
